

WAL★MART®

TARGET

Dear Families,

'Tis the season for wishing, giving, and receiving! As part of our year long study of environmental print, we are asking that you fill your bag this month with 5 samples of places to shop. You can cut out logos from newspaper/magazine advertisements, cut off labels from bags or boxes, etc. Return your 5 samples by Friday, December 12- we'll use them in our learning before our winter holidays break.

Thanks for your continued support!!
