

December Family Project

Frangus will hold it's second annual "Festival of the Trees". Each classroom is asked to decorate a tree and display it the last week before our holiday break. Our school family will create a "Family Tree" to honor our own classroom family as well as our home families. Attached is a paper ornament with a family photograph (if a photograph is not enclosed, I don't have one of your family and would like to request you to come in so I can take one! Until then, please attach your own photo or draw your family members). Please decorate the ornament as a family and return it by Wednesday, December 11. Use whatever materials you like in whatever way you like. We want to celebrate you! More information will come soon about the day and time for the festival.

We welcome all to attend! Have Fun!

Happy Decorating,
Mrs. Taylor
