

Dear Families,

'Tis the holiday season! Our school family would like to spread holiday cheer with the gift of giving to others. In lieu of teacher and student gifts, we are asking for specific items to be donated by our home families to aid a local family in need. No item will cost over \$10.00. We will collect the items, wrap and tag them, then load them into my "sleigh" for delivery. This is an optional request -if you would like to participate, please sign and return the form below by Wednesday, December 11. If you are able to help, I will send back a note the next day with the item needed and date due. We appreciate any and every donation and our school family wishes YOU ALL safe, helpful, and happy holidays!

Name _____

____ Yes, our family would like to participate.

____ Our family would be interested in providing an additional item(s).
