

Happy Birthday

Dear Families,

With the passing of 2003, we celebrate the birth of 2004! In honor of this joyous occasion, we will hold a birthday party in our classroom on Friday, January 23. To commemorate this event, our January project will be a Birthday Celebration Book created by our home families! Attached is a birthday cake-shaped paper-use it to tell the story of when your child was born. We'd love to hear family anecdotes, stories about trips to the hospital, descriptions of the precious newborns, etc. If possible, send in a baby picture-I can scan it and return them within a few days. Decorate your page to honor your child. Please return the project by Tuesday, January 20. Each will be presented and displayed before being bound into our book. Thanks for your continuing support and Happy Birthday 2004!

Wishing Many More For You,
Mrs. Taylor
