

Dear Families,

The number one way to support your child's developing literacy is to read together every day. Not only are you sharing a love for reading, you're also encouraging and modeling reading strategies. And most importantly, this is a unique and special time for families to be together.

Each month your child will take home a "Lap Reading Log." This is a simple way to record all the books you read together. At the end of each month, your child may pick his/her favorite "Lap Reading" book and write and illustrate a report telling our school family about it. Each "Lap Report" will go in a special book for the children to use in our Reading Area. Thank you for your support!

Happy Reading!  
Mrs. Taylor

My Favorite Lap-Reading Book for \_\_\_\_\_ was:

I liked this book best because \_\_\_\_\_
