

Dear Families,

Welcome to our "You're My Valentine Because..." bag! Nothing is better than a homemade valentine, from the heart! In this bag are materials to create a special love note for your very own kindergarten sweetie! When you create your valentine, be sure to notice all the things your child does that are helpful and kind. Write a short bit about why your child is your valentine on his/her page in our "You're My Valentine Because..." journal. We will share and celebrate everyone's contributions. Hope this Valentine's Day is full of love, especially from the beautiful child in your life.

Sending Lots of Love and Chocolate Kisses,
Mrs. Taylor
